

# Oving Village Pavilion Questionnaire

Your views on whether Oving should build a new pavilion on the recreation ground are important and so we would be very grateful if you could give 10 minutes of your time to complete the following questions. It would be useful to know who has filled in the forms; however, if you prefer to remain anonymous then that's fine too but please indicate age group if at all possible.

Please remember that everyone in the village aged 10 and over is invited to **individually** complete the questionnaire.

## Please complete and return by the end of February
